

# Team/Instructor Scrum #2

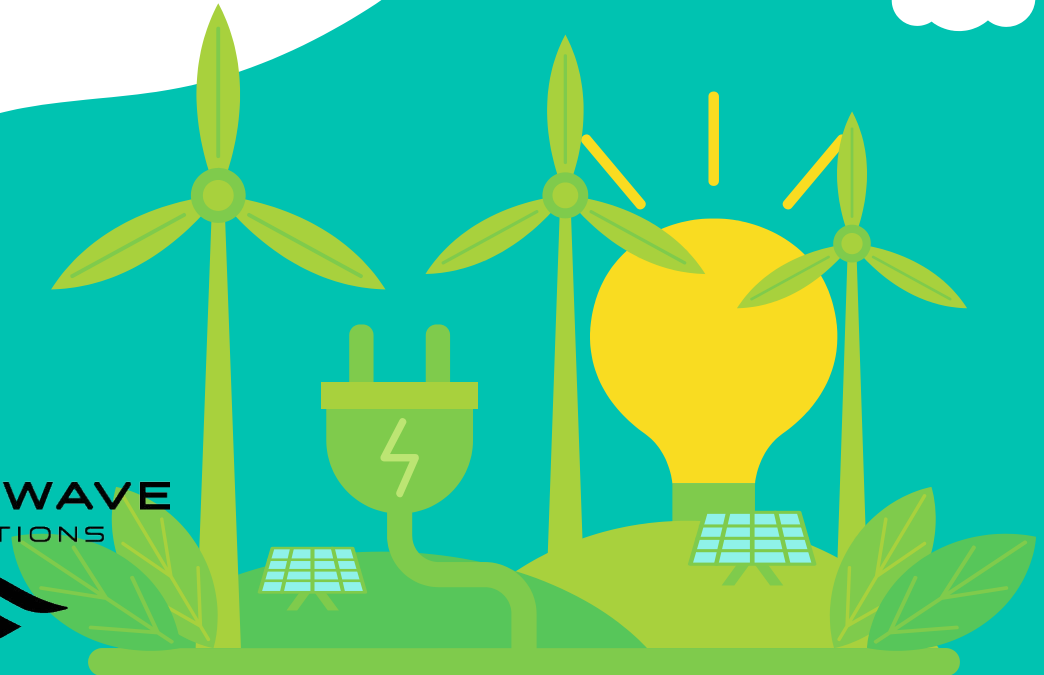

Sept. 24, 2021 - Oct. 8, 2021

## Team SolarSize

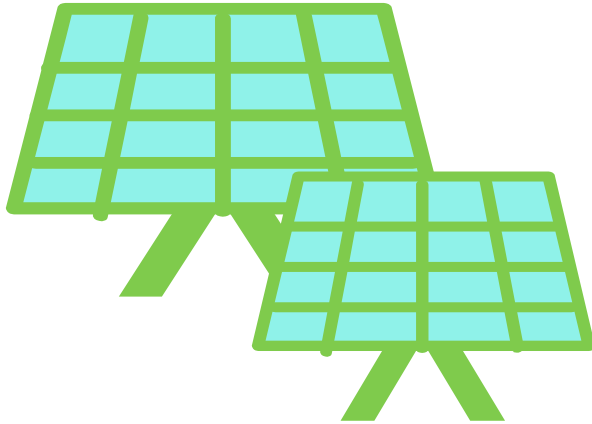

Tristan Brown-Hannibal  
Karlee Fidek  
Kaden Goski

**GREENWAVE**  
INNOVATIONS

# About This Project

- A tool that utilizes building consumption metrics and solar intensity data to calculate accurate ROIs
- Help to determine over or under generation windows and size solar generation solutions accordingly

# Project Status

## Yellow

- Since we have changed our project idea, we are slightly behind based on the loose expectations outlined in the syllabus
- We have caught up to where we were last scrum with our old project

# Team Member Contributions

## Tristan

- Redo Vlog #1
- Business Case, RACI Chart, Stakeholder Analysis

## Kaden

- Redo Vlog #1
- Scope and Project Requirements

## Karlee

- Redo Vlog #1
- Project Charter, Roles and Responsibilities, Documentation Guidelines

## Group

- Meet with Dr. Yow
- Meet with Greenwave Innovations for proposal

# Project Issues/Changes

- Changed our project idea
- No issues so far with the new project

# Documentation Overview

Business Case

Project Charter

RACI Chart

Roles and Responsibilities

Scope Statement

Project Requirements

Stakeholder Analysis

Documentation Guidelines

# Next Up

## Tristan

- Additional stakeholder/customer exploration
- Explore business and process of Greenwave (including data)

## Karlee

- Explore Greenwave business and processes including data
- Explore Greenwave system stack and database

## Kaden

- Explore data flow and database

## Group

- Meet with Dr. Yow
- Meet with Greenwave Innovations
- Vlog #2

# Team Reflection

- **Does the team feel "on track"?**
    - We are slightly behind due to the fact that we changed our project idea. However, we feel that we can get back on track over the next few weeks
  - **What progress does the team particularly feel good (great) about?**
    - We were able to get back to the point we were at with our old project, so we can now dive deeper into this project
  - **What barriers (if any) does the team feel are a current impediment to success?**
    - No barriers at this time
  - **What help (if any) does the team require to move positively forward?**
    - Guidance from Greenwave Innovations which will be received in coming meetings
  - **What questions or concerns does the team have (if any)?**
    - No questions at this time
-
