

Greenwave Meeting Minutes
November 19, 2021 11:30 AM

Things Team SolarSize hopes to discuss:

- Data access

Attendees:

- Karlee Fidek
- Kaden Goski
- Liam Diebel

Data:

- Data will be from Crescent Point Energy in Carlyle, SK
- Can assume panels are placed at a 30° angle
- Data will be building energy consumption data
- No solar production data for the time being
- Liam will work to get more information about size, location, and panel angles from Crescent Point Energy
